

Thursday: Bible Verse

"We wait in hope for the Lord; he is our help and our shield. In him our hearts rejoice, for we trust in his holy name."

Psalms 33:20–21

Divide Psalm 33:20–21 into several phrases. Print each phrase on a separate slip of paper. Attach refrigerator magnets to the back of each paper. Arrange the phrases in verse order on your refrigerator; then mix them up again for someone else to arrange!

Friday: Bible Bit

Read 2 Corinthians 12:9. What does this verse tell you about being weak? How can knowing this verse help you praise God, even in situations in which you feel helpless? Thank Jesus for using His power to help your family.

Saturday: Just for Fun

Pack a lunch for each family member in a separate lunch box or bag. Then head to a park for a picnic together! Before you eat, take time to pray and ask God to help you trust Jesus and have hope in every situation you face today and in the coming week.

Every day when you have lunch, remember to pray and ask God for help in trusting Him every day, no matter what happens!

Big Idea

Jesus is with us, so we can be fearless about the future.

Monday: Check It Out!

Check out Acts 16:16–40. Paul and Silas sang in an unusual place! When and where do you like to sing or listen to music?

Tuesday: Bible Bit

Read Psalm 56:10–11. What reason does the writer of this psalm give for not being afraid? What promises from God's Word do you know that make you want to praise Him?

Wednesday: Bible Bit

Read Psalm 89:1–2. What is the writer of this psalm doing to praise God? How can knowing about God's love help you praise God at all times of your life?

Connecting to Jesus

The jailer had heard Paul and Silas praising God in the middle of the jail, even though they were in a scary and painful situation. Their actions showed their faith and trust in God! So when the jailer discovered that they had not left even though they could have escaped, he wanted to know how he could be saved, too. Just as Paul and Silas did, we can let our faith in Jesus show, even in difficult situations. Then we can tell other people how they can trust in Jesus, too!
